Education

09.2003 - 06.2007 **Donetsk National Technical University**
Faculty of Computer Science and Technology

06.2021 - 08.2021 **Hillel**
Course Front-end PRO

Experience

11.2019 - present **Web Studio "DigitalPro"**
HTML coder

I came to the company as an intern, now I am a strong middle. The main responsibilities are the layout of the landing pages according to layouts from the designer. During his time at the company, he mastered the basics of JS, improved his skills in cross-browser adaptive layout. I pulled up the css preprocessors and started using the BEM methodology. I am using the Gulp assembly.

I have little experience in testing.

Learning JS and React.js

Languages

English - Pre-Intermediate
